with Absolute Sacrifice**

# Director's Message

Legends in the making !

We know what's important! Getting students' future ready is the need of hour. This year the school has gone an extra mile and have woven the elements of employability into every course to make sure everything students learn is relevant and transferable and they have the right sets of skills that employers really value. Things like team working, communicating, problem solving, and leadership has been injected in the atmosphere of the School. We offer a huge range of organised activities that are designed to inspire, educate, challenge and enrich.

The Teachers of the school are consistently trying to create an environment that stimulates curiosity in the young buds that are about to blossom. At Brilliant we focus on student's strength to unlock their potential that inspire them to reach to even greater heights.

Having knowledge and skills will newer solve the problem, Showcasing and communicating your abilities will. School has provided a Youtube platform, where students are actually able to showcase them. The innovative projects and frequent presentations help students in reducing their stage fear and make them confident in public speaking.

At Brilliant help is at hand. We offer confidential support and advice on a range of issues including health and wellbeing, any aspects of learning, mentoring by our experts.

Each year we challenge our students to become our future history, re-write the story of the School and aspire to greatness. We are exceptionally proud of our Alumni and the major changes they have made to the world over the years.

We invite you to become a legend in your own right.

**Mr. Ishit Malvi**  
Academic Director

# Principal's Message

Efforts to eliminate the defects

We live in the age where notion of high-tech is fundamental part of our daily lives. As a principal, and an academic, I am excited and optimistic to be living in such a time but I also recognize the crucial importance of respecting the harmony of character, culture and education with efforts to eliminate the defects .

One of the paramount goals of the **Brilliant Higher Secondary School** is to keep on strengthening our teaching and character building programs, while simultaneously enhancing the environment of the school as an academic center that is conducive to learning as well as growth.

This is reflected by achievement by our students in all aspects of student life i.e. merit positions, sports, debates, cultural programs, scouts etc.

I simply believe that **Brilliant Higher Secondary School** is well positioned for twenty first century. Our school offers every opportunity in a progressive environment, to identify and develop effective ways to use methodologies and technologies in study programs and to explore better ways of teaching. Objective involves the participation of school faculty, other professionals and students.

We welcome applications from individuals who wish to take on the intellectual challenges of our education programs and who seek a career that contribute to the welfare of nation and human society.

With best regards

**Mr. S.K. Malvi**  
Principal

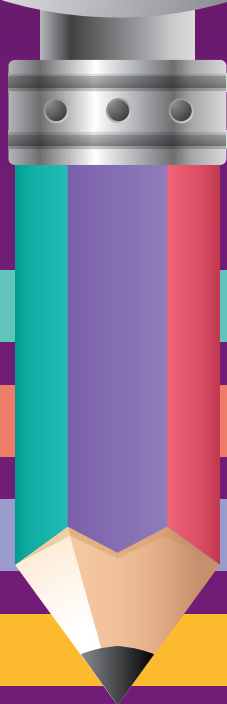

# VISION

To prepare our students to live, learn, work, and serve the public good in a digital, global society through engaging, synchronous and asynchronous instruction.

## MISSION

To provide an exemplary education that inspires and prepares all Brilliant students for success in a dynamic, global environment.

# Infrastructure

## Learning Resources

### Informal Education to Tiny Tots

Children of the age group of 2½ to 5½ years need a different system of education which should be more informal than formal. Our trained teachers in Montessori system of education take special care of their pupils even better than mothers.

The children are like babes in the woods frail and innocent but at the same time are also very curious about all things in life. We provide every possible facility for motivation and entertainment, Songs, nursery rhymes and other activities provide them opportunities for full expression of their personalities.

### Computer & Internet

This is the age of Information-Technology and computer has become the part of our daily life. We are glad to propose our special program for our Students.

Compulsory computer education is from class third onwards. Introducing a new program "Computer with Commerce" for class eleventh & twelfth as per guide line of Education Board of M.P. Government. The School also provides the internet facility to all students.

### Audio-Visual Lab

We are equally excited to provide ample opportunity to our students to acquire more & more knowledge by using Audio-Video cassettes, CDs.

### Library

*Knowledge is the key of success & library is a temple of knowledge.* School library has tried to cover the wonderful world of books, library has quality books on various topics like Art & Literature, Science & Technology, Cartoons & Comics, GK, Great Personalities etc.

### Science Labs

"The Academic Curriculum is strongly Supported by the Modern Laboratories of Physics, Chemistry and Biology. We have proper space allocated for experiments and other scientific projects.

**"WINNERS**

ARE NOT PEOPLE WHO  
NEVER FAIL BUT  
PEOPLE WHO NEVER

**QUIT"**

# Activities

## Healthy Mind - Healthy Body

### Sports Meet

"Health is wealth" is a proven proverb of ancient India. School organizes Indoor-Outdoor games periodically under the coaching of trained coaches. Annually on sports day young players fight to bag the Precious Trophies, Medals, Certificates of Excellence and many more prizes.

### Scout n Guide & Trips n Tours

If we wish to make our young students "Self-reliant, Honest, Truthful and Worthy Citizens" of our country, Scout and Guide plays an important role. Our school has earned great fame in Bhartiya Scout & Guide at local as well as state level.

At school premises basic training is given to students from class third onwards and trained scout & guide participated in various activities like, management of Festivals, Durga Pooja and Mela at Bijasan Mandir, Traffic Control, Literacy Programs etc.

School organizes adventurous journeys to different historical places like Chittord, Udaipur, Mandav, Panchmadi, Ajanta- Allora, Jaipur, Tajmahal etc. to explore the rich heritage of India.

School enjoys the life membership of Youth Hostels, so students can participate in tracking locally as well as internationally.

Students can use Youth Hostel's facility like Lodging & Boarding worldwide at very nominal charges just by showing Brilliant's ID.

### Physical Fitness & Health Checkup

Students are medically examined by a team of expert physicians and we are proud that the team of doctors are the part of Brilliant's Alumni. The report with recommendations are communicated to parents for their information and evidence.

Time to time we invite guest Doctors and other health professionals to deliver lectures and valuable advice to create health awareness among students.

"THE **ACTIVITY**  
YOU ARE MOST  
AVOIDING, CONTAINS  
YOUR BIGGEST  
**OPPORTUNITY.**"

# Beyond the Classroom

## Co-Curricular Activities

### Science & Art Exhibition

This is one of the most interesting day at school. Students under the guidance of teachers and independently take part to demonstrate their skills by presenting different models like functioning of hydroelectric power-station, computers, satellites, nuclear bombs, human body, jet planes, ecosystem, eclipse etc. At Art exhibitions students present interesting, beautiful & useful items made from scraps things, working on the Rock Garden's principle best out of Waste. Aim behind this is to explore the wonderful world of science and art to students and motivate them to understand, and develop the skills.

### Dance & Music

Yoga, Karate and other performing arts. The performing arts have been given great importance at school with facilities serving as a perfect platform to bring creative expression to the pore ward.

### Annual Gala

India is well known of its great Culture & Heritage School takes pride to organize annually cultural program at prestigious rostrum of Ravindra Natya Graha where young Artists, Dancers, Singers, present their talents and make the Eve memorable. School provides trained & special dance & music teachers to develop artistic skills like, acting, dialogue delivery, kathak, Garba etc.

### Parent - Teacher Meet

In every institution PTM always plays an important role in overall development of students. We organize PTM after every Academic Test. We present answer books to respective parents to examine the actual academic progress of their wards. Parents are cordially invited to attend annual gala, prize distribution ceremony and to other programs. we also entertain complaints and suggestions from parents to take necessary steps with a view to improve our part in building good citizens for our great nation.

"SUCCESS  
WINS HARD WORK  
BUT **MERIT** WINS  
THE **SOUL**"

# An Overview

## Special Features

### Regular Assessment

Regular assessment of a Performance is an ongoing exercise at school aimed at improving adding value to performance and growth.

### National Festivals and Teacher's Day

On the occasion of Independence day and Republic day school organizes cultural and patriotic functions with full colors to salute the Great Nation and our Fallen stars like Gandhiji, Subhash Chandra Bose and millions of great jawans who sacrifice their lives, to inspire the students, and make them realize the importance of freedom. Dr. Radhakrishnan's birthday is celebrated at school premises with full honour as Teacher's day. On this day students pay their respect towards teachers, and this program brings teachers & students more closer.

### Career Counselling

Career Counselling at the school campus included providing advice on higher education, Choice of Subjects, Advice on various career option and general advice on a student's aptitude.

### Workshops

Conducting workshops to enhance and add values to subjects are part of the curriculum at Brilliant H.S. School. The school is well equipped with all the necessary facilities to aid the holding of workshops.

### Scholarships, Fee waivers and Awards

School gives fee waivers to meritorious and needy students. Annually awards are presented to the students who has shown outstanding commitment, securing positions in Board Exams, Sports, Discipline, Inter-school Debate, Punctuality etc. As per M.P. Govt. Directives for SC/ST/OBC students, school provides scholarship.

# Kids Zone

## Special Features

### Our Programme only for lovely kids -

Our kinder Garten program offers multiple planned and stimulated opportunities to your child to discover, explore and learn. This is the period during which the learning takes place at an accelerated speed. But we also should know that the pace of brain development in children is not equal during these precious years so we designed our learning programme as per their pace of development. So our kindergarten programme is designed in such a way that it provides many and carried opportunities to broaden children's academic prowess hone their social and inspirational skills and to interact successfully with a wide range of learning experience.

### Concept Based Education

This stage (2½-5 years) it is not at all possible to make him/her sit in a class room. Keeping this in our mind we designed our KIDS ZONE. We provides huge numbers of activities to teach different concepts to children. All play activities and learning areas help the children to develop in proper way.

1. Colourful and comfortable class-room for proper learning.
2. Play area for physical development.
3. Audio Visual room for developing participating skills.
4. Art and craft room for developing of aesthetics sense.
5. Gym for development of health awareness.
6. Activity room for various learning activities. .... and many other concepts.

## Rules & Regulations

### Registration and Admission

**Admission Policy :** The following procedure has been evolved in to help the parents/guardians seeking admission for their wards in our school.

**Age of Pupil :** A pupil seeking admission in nursery class should be in the age group of 2 years and 6 months and in class Ist he/she should have completed five years of age on 30th June of the academic year.

**Registration :** The idea of registering the name in advance is done to facilitate the authorities to estimate the problem number of pupils seeking enrolment in each class and to assist the management to examine the feasibility of opening additional sections of classes if necessary and to crate a healthy channel of communication with the parents/guardians.

Parents/guardians are requested to complete the registration form in all the respects and submit it to the school authorities during office hours i.e. between 10.00 a.m. to 2.30 p.m. on working days only but not later than the date announced by the Principal. Registration of a child does not guarantee admission in the institution. Similarly registration fee already paid is not refundable under any circumstance.

**Admission Test :** All children registered with the institution are liable to admission tests

**Nursery, K.G.I & K.G. II -** Personal Interview

**Class I to VIII -** Written test Subjects- English, Hindi and Mathematics.

**Class IX to XII -** On merit basis of passed examination.

Please note that for the benefit of the incoming students, they shall be tested on the syllabus taught in the previous class based on M.P. education course. The idea is to test the eligibility of the students seeking admission in the particular class.

Admission is given on the basis of merit and seats available and in such matters the decision of the Secretary will be final. The test shall be conducted as per the dates notified by the Principal from time to time.

**For Additional information please contact :**

**Office Time :** 09.30 a.m. to 3.00 p.m.

**Principal's Visiting Hours :** 11.30 a.m. to 2.30 p.m.

**Director's Visiting Hours :** By prior appointment only.

School's academic session will be commenced from **June 15th.**
